Weddings Parties Corporate Events

Experience the Difference Experience Makes

Make your event special with DJ Miles Pelky

Mobile Dance Party DJ Miles Pelky has nearly 25 years' experience in the wedding and entertainment industries. He has provided the sound track for more than 4,000 weddings. His experience with corporate events ranges from awards dinners to a three-week Mediterranean cruise. In fact, before coming home to San Diego to become one of the area's leading wedding DJs, Miles was the top DJ for Carnival Cruise Lines.

Through his extensive experience and love for the business, Miles has developed an approach that shatters the DJ stereotype and sets a higher standard for the industry. He does more than just play the music you love. Miles can step in as the master of ceremonies, making all the announcements throughout the event and coordinating with other vendors to keep the event flowing and on schedule.

To provide the highest quality music, Miles uses only the best sound equipment available, including QSC 1000-watt active speakers, a Mackie sub-woofer, a Rane MP24Z sound mixer, a Denon DN9000 dual CD/MP3 player, and Shure wireless microphones. Miles directs the system from a custom-built control console, using PCDJ, a computer software program that includes 30,000 songs. He also brings a backup system to every event, loaded with 1,500 songs.

To protect his clients, Miles carries a \$2 million liability insurance policy through the National Association of Mobile Entertainers.

Bringing years of experience to your event

Miles' first DJ job was at a Marriott Hotel in the San Francisco area. He was soon put in charge of nightclub entertainment for all Marriott locations in the Bay Area. Miles then spent three years as a DJ on Carnival Cruises before returning to San Diego to start his own DJ business, which has enjoyed nearly 20 years of success.

To develop and enhance his skills, Miles studied the techniques of the best DJs he could find. His hard work was rewarded with the opportunity to share the stage with such well-known entertainers as the Beach Boys, Chubby Checker, KC and the Sunshine Band, Cirque du Soleil, and others.
